A Summer Reading Club For the Whole Family

The **Welles-Turner Memorial Library** invites your whole family to add a splash of color to your summer with the **Color Our World** Summer Reading Club! The kids' program, designed for students entering grades K-6 and kids ages 2 to 5, is all about exploring stories, creativity, and imagination through the vibrant world of colors. The fun begins on June 16.

The goal of the children's reading club is to develop a habit of reading EVERY day this summer for FUN! For this reason, we focus on the child's interests instead of reading level, and all types of books are encouraged, including e-books and audio books. There are more than 50,000 books to choose from in the Children's Department. Children may read independently or listen to books read aloud.

HOW TO GET STARTED

Beginning June 16th, use the **Color Our World Reading Log** to track your daily reading. Booklets, available on June 12, can be printed at home from the link on our website or picked up in the Children's Department. They will also be available at our **Summer Reading Kick-Off Party** on June 20th. Follow the instructions in the booklet to record the days that you've read and the books that you have finished.

Every artist needs a t-shirt, so once you have completed seven days of reading, bring your booklet to the library to get yours. Collect all six reading rewards before the end of the program on **August 9th**.

SUMMER ACTIVITIES

Each week there will be special programs for children. The library will offer Off the Shelf events featuring great books, weekly crafts, STEAM programs, Let's Build, family events, performers, storytimes, and more. All programs and registration dates will be posted on the library calendar in mid-May.

RECOMMENDED READING

Lists of recommended titles can be found on our website or in the Children's Department beginning June 12th or ask a librarian to help choose the perfect books for you.

FOR THE WHOLE FAMILY

Summer reading is for everyone. **Crayon Crew** is an age appropriate literacy program for babies ages birth to two years. Students entering grades 7-12 and adults can participate in **Color Our World** to receive a T-shirt and a chance to win other prizes.
