

ONCE UPON A TIME

A SUMMER READING CLUB

Once upon a time, all throughout Glastonbury, Royal Readers opened a book and began to read! Students entering grades K-6 and children ages 18 months to 5 years are invited to partake in the Royal Summer Reading Club.

The goal of the children's program is to develop a habit of reading EVERY day this summer for FUN! For this reason, we focus on the child's interests instead of reading level, and all types of books are encouraged, including e-books and audio books. Children may read independently or listen to books read aloud.

HOW TO GET STARTED

Beginning June 14th, use the **Once Upon a Time Reading Calendar** to track your daily reading. Booklets can be printed at home from the link on our website or picked up in the Children's Department beginning June 10. Follow the instructions in the booklet to record the days that you've read and the books that you have finished. Once you have completed seven days of reading, bring your booklet to the library to pick up your reward, a *Once Upon a Time* T-shirt. Up to six rewards are available through August 6th. We understand that some may be hesitant to visit the library in person. Please call or e-mail us so that we may assist you.

FAIRY TALE BEGINNINGS

Babies birth to 18 months can participate in **Fairy Tale Beginnings**, our reading club for tiny tots.

SUMMER ACTIVITIES

Programs will meet either outside, weather permitting, or virtually on Zoom. Some programs require registration because space is limited, but it is best to register for all programs you plan to attend to receive updated information. Programs may change or be cancelled as the summer progresses due to the library construction. On account of continuing COVID concerns for children who are not yet vaccinated, masks will be required at all programs. See our offerings on the reverse page.

RECOMMENDED READING

Lists of recommended titles can be found on our website or in the Children's Department.
