CAMP READ S'MORE

A Summer Reading Club

Take part in a summer adventure by signing up for **Camp Read S'more!** Students entering grades K-6 and children ages 2 to 5 years will have tons of fun joining the summer reading club at **Welles-Turner Memorial Library**.

The goal of the children's reading club is to develop a habit of reading EVERY day this summer for FUN! For this reason, we focus on the child's interests instead of reading level, and all types of books are encouraged, including e-books and audio books. Choose from over 50,000 books in the newly renovated Children's Department. Children may read independently or listen to books read aloud.

How to Get Started

Beginning **June 13th**, use the **Camp Read S'more** calendar to track your daily reading. Booklets, available on June 9, can be printed at home from the link on our website or picked up in the Children's Department. Follow the instructions in the booklet to record the days that you've read and the books that you have finished.

Every camper needs a t-shirt, so once you have completed seven days of reading, bring your booklet to the library to pick yours up. Collect all six reading rewards before the end of the program on **August 13th**.

Summer Activities

Each week there will be special programs for children. The library will offer Off the Shelf events featuring great books, Camp Crafts, Books & Bricks, Outdoor Science and STEAM programs, family events, surprise performers, storytimes, and more. All programs and registration dates will be posted on the library calendar in mid-May.

Recommended Reading

Lists of recommended titles can be found on our website or in the Children's Department beginning June 9th or ask a librarian to help choose the perfect books for you.

For the Whole Family

Summer reading is for everyone. **Happy Campers** is an age appropriate literacy program for babies ages birth to two years. Students entering grades 7-12 and adults can participate in **Camp WTML** to receive a camp T-shirt and a chance to win other prizes.

In partnership with Glastonbury Public Schools
