20. \_\_\_\_\_

Bring your Reading Calendar to the Children's Department to register and receive your reward. The first reward is available on **June 20**.

When you finish reading a book, add it to your reading log in the back of the Reading Calendar. Alternatively, you may choose your own way to record your books.

Continue reading and coloring each date. For each additional seven days of reading, you will receive another reward, up to a total of six.

The Summer Reading Club ends on **August 12**.

Children may collect rewards until Monday, August 14. T-shirts will be available through the start of school while supplies last.

Visit our on-line calendar  
for a list of all the  
summer activities

# WELCOME SURFERS!

It's time for your summer adventures to begin, and there is no better place than the library. Students entering grades K-6 and children ages 2 to 5 years are invited to join the **Summer Reading Surf Club** which begins on **June 12**.

 Read on your own, or have someone read to you, for about 20 minutes per day. Summer is a time for kids to read for **FUN!** For this reason, we focus on interest level instead of reading level. All types of books are encouraged, including e-books and audio books.

 Find the page for the current week and color the item marked with today's date. For example, If you read on Tuesday, June 13, turn to the page for **Week One**. Find the section of the turtle shell with 6/13 on it and color it in.

 Keep reading and coloring. Once you have colored in 7 days, you are ready to receive your t-shirt. You do not have to read all 7 days each week. (However, it would be awesome if you did!) The days can span two or more weeks.

Color the section of the turtle's shell for each day you read.

**TRUE or FALSE:**  
Sea turtles can hide their head and limbs inside their shells.  
*Circle your answer.*
