

# Getting Started with Libby

The **Libby** app is a new, one-tap reading app for borrowing digital books and audiobooks from your library.

This free app, created by **OverDrive**, is available for **Android**, **iOS** (iPhone/iPad/iPod touch) and **Windows 10** devices.

- 
- 1 Install the Libby app from your device's app store. [Click here to download the app.](#)
  - 2 Open the app and find your library. You can search by library name, city or zip code.
  - 3 Browse your library's collection and borrow a title. When prompted, sign in. You'll need a valid library card to complete this step.
  - 4 Borrowed titles appear on your **Shelf** and download to the app automatically so you can read them when you're offline.

From your **Shelf**, you can:

- Tap **Start Reading** or **Start Listening** to open a title.
  - Tap the cover image, then **Send to Device** to send a book to Kindle.
-
