What is the Glastonbury Reading Challenge?

Think of this challenge not as a competition, but as an opportunity to explore stories you might not pick up on your own. Choose books in any format you like, including print, eBooks, or audiobooks, and complete the prompts in whatever order works for you. With 24 unique prompts, you can easily pace yourself at about two books per month. Each title can only be used for one prompt. You can also join our GoodReads group to share what you're reading, discover new recommendations, and connect with fellow participants.

What do I win?

Every finisher will receive a commemorative prize to celebrate their achievement (along with bragging rights and the satisfaction of a job well done).

Plus, one lucky reader age 13 or older will win a

\$50 gift certificate to River Bend Bookshop.

To be entered in the raffle, return this completed form to WTML by 5 p.m. on December 31, 2026.
